Venue

BANGKOK, THAILAND

Thailand is situated in the heart of Southeast Asia. Bangkok, Thai Krung Thep, city, capital, and chief port of Thailand. It is the only cosmopolitan city in a country of small towns and villages and is Thailand's cultural and commercial center.

Bangkok, Thailand's capital, is a large city known for ornate shrines and vibrant street life. The boat-filled Chao Phraya River feeds its network of canals, flowing past the Rattanakosin royal district, home to opulent Grand Palace and its sacred Wat Phra Kaew Temple. Nearby is Wat Pho Temple with an enormous reclining Buddha and on the opposite shore.

The glittering temples of Thailand are breathtakingly beautiful and provide insight into the importance of Buddhism in Thai culture. It is also a treasure of unique cultural wealth. Asiatique the Riverside is a very famous outdoor center in Bangkok. This popular spot is sure to have all your fashion needs and appetites covered. Some of the best Thai food is available at street stalls and night markets. Thailand's largest island, Phuket in the Andaman Sea attracts the most visitors thanks to its winning combination of tropical island beauty and many activities and attractions such as Phuket Old Town.

Past Event Report

About Past Event:

The **International Conference on ENT: Head and Neck Surgery**, successfully hosted by Scientex, was held on **May 15–16, 2023**, in **Dubai, UAE**. The conference was organised with attention on **“Emerging Techniques and Advancement in ENT, Head, and Neck Surgery”** and it was an excellent success where eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the organising committee members played a major role in the success of ENT 2023. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

The ENT 2023 Organising Committee would like to thank the keynote speakers, plenary speakers, delegates, and young researchers for making the sessions such a worthwhile experience. Also, we would like to thank the moderator of the conference, Nivedita Narayankar, from Rajiv Gandhi University of Health & Sciences, India, who contributed a lot to the smooth functioning of this event.

With the grand success of ENT 2023, we are glad to announce our next upcoming conference, **“2nd International Conference on ENT: Head and Neck Surgery,”** which is going to be held in Bangkok, Thailand, during May 16-17, 2024.
