

5th International Conference on **ENT: Head and Neck Surgery**

Theme: Global Innovations in ENT and Head-Neck Surgery

Date

April 05-06, 2027

Venue

Dubai, UAE

SCAN ME

Welcome

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives. Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges. Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide. We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences. These events provide a platform for effective collaborations on the latest research for the worldwide community. Our conferences include exceptional keynote speeches, interactive sessions, and lively debates on research and development in Medicine, Engineering, and Technology. ([click here for more](#))

About Conference

Scientex Conferences cordially invites global participants to the **5th International Conference on ENT: Head and Neck Surgery**, taking place on **April 05-06, 2027 in Dubai, UAE**. Centered on the theme “**Global Innovations in ENT and Head-Neck Surgery**,” the conference will highlight recent advancements, emerging technologies, and evolving clinical practices in otorhinolaryngology and head and neck surgery. The scientific program will cover key areas including rhinology, otology, laryngology, head and neck oncology, facial plastic surgery, pediatric ENT, audiology, voice disorders, skull base surgery, and minimally invasive techniques.

Over two days, attendees will interact with distinguished experts through keynote addresses, plenary talks, oral presentations, and poster sessions presenting innovative research from clinicians, researchers, and students worldwide. The event aims to address current challenges, foster innovation, and strengthen global collaboration in the field of ENT and head–neck surgery. ([click here for more](#))
